

Willy Wonka Kudos Order Form

A Kudo is a **one-line**, personal message to the cast, crew or staff printed in the show playbill/program. Anyone can send a kudo -- family, friends, fellow actors or crew members. It is a fun and unique way to personalize the playbill for every participant and a great way to say "Thanks!" or "Good job!" to someone special. Kudos helps defer our printing expenses.

ORDER DEADLINE – Saturday, October 3rd, 2009

- You can email kudos to playbill@piedpiperplayers.org . Please return **copy of your e-mail along with your payment** to the "Kudos Envelope" no later than Saturday, October 3rd.
