Volunteer Responsibilities

Participants and their families are members of the Pied Piper Players community and each is highly valued. We look to our community to draw ideas and resources. Collectively we all benefit from this mutual support system.

We foster volunteer opportunities to showcase your skills, interest and energy. This also ensures that production responsibilities are shared by many, rather than becoming a burden for only a few.

Performers and/or family members are expected to:

- 1) Contribute 10 hours of time towards the production before Tech Week.
- 2) Assist during Tech Week, Performances, and Strike, which immediately follows the final performance.
- 3) HAVE FUN!
